

Dear Parent:

We wish to emphasize that the school district does not provide any type of health or accident insurance for injuries incurred by your child at school.

Since children are particularly susceptible to injuries, we encourage you to review your present health and accident insurance program to determine if your coverage is adequate. If you do not feel your insurance is adequate because of a deductible or co-insurance clause, or if you do not have insurance, we encourage you to review the student insurance program. This plan will provide benefits for medical expenses incurred because of an accident. An explanation of the cost and benefits is explained on the premium envelope, which can be picked up in our front office. In making application for this coverage, please read the envelope explaining the coverage carefully.

The program is underwritten by Security Life Insurance Company of America located in Minnetonka, Minnesota and administered by Student Assurance Service, Inc. of Stillwater, Minnesota.

All questions regarding the coverage should be directed to Dance Insurance, Inc., Logan, Utah (435) 752-8484, or toll free 1-800-327-5400.

Thank you.

Maple Mountain High School
