

Maple Mountain High School Fine Arts Department proudly presents this year's Dance Company Concert "Legacy" on Friday April 29th at 7:00pm in the MMHS Auditorium. We are especially excited for a very special guest performance by M-Shay from Haiti. The Dance Company will showcase their own award winning choreographed pieces, 7 of which received straight superior scores at the 2016 Dance Company Festival and Adjudication. We are proud to feature two works by professional guest choreographers; Ashley Peterson and Whitnee Jenkins. Social Dance 2, Dance 2, Addie's Dance Academy, and Mapleton Junior High Dance will also be featured. A portion of the proceeds will go to the Foyer de Sion Orphanage in Haiti. Please join us for this once in a lifetime benefit concert. It is going to be an incredible show. <https://vimeo.com/120212340>
