

## Letter from the Principal

Dear Maple Mountain High School Parents and Students:

As I write this last newsletter for this school year, I find myself reflecting back to the many wonderful and exciting things that have happened, and are continually happening, at our school. I am amazed at our incredible students, supportive parents, and positive community members we associate with each day. Together, we have helped Maple Mountain become a dynamic, innovative, welcoming learning environment in which each individual student is cared about and respected. We appreciate all of you and thank you for the time and support you continually give to our school.

Our school recently went through an accreditation review. The visiting accreditation team was very impressed with our school, our faculty, and especially our students. They continually mentioned what a special feeling we have within our building and the respect shown between our teachers and students. They were impressed with our motto, "An Attitude of Excellence," and witnessed it in our Academic Programs, Fine Arts Programs, and Athletic Programs. We passed our review with "flying colors," and from this experience we have set our direction for the amazing years ahead.

It is difficult to believe that we are nearing the end of our third year and would like to wish a special "farewell" to our senior class of 2012, the first graduating class to complete all three years at Maple Mountain High School. What a wonderful group of young people who are ready to go forward, embracing their dreams and accomplishing their goals. As administrators, counselors, faculty, and staff, we are very dedicated in educating our students to be better prepared for the world beyond Maple Mountain High School. Golden Eagles, enjoy your flight!

John W. Penrod  
Principal

**Maple Mountain High School is pleased to announce our first  
National Merit Finalists:**

**Emma Dallon and David Bates**

We are so proud of both of these amazing students and wish them well as they continue their academic pursuits!
