#### **Second Semester Class Changes:**

Beginning December 17 and ending January 10, the student SIS/Aspire account will include a "scheduling" tab that will allow students to make adjustments to their 2<sup>nd</sup> semester schedules **without a fee**. Students and parents who make use of this option should be aware of the following:

- 1) The system will allow **changes to required classes**. Use caution when changing a full year, or a required class. Make sure there is room in another period to schedule required classes before dropping it from the scheduled position. **Many classes are full**, and dropping from a full class may mean not being able to replace the class.
- 2) Certain scholarships, **Regent's** and **NCAA** for example, have specific course requirements beyond the graduation minimum. Please be aware of the requirements of any scholarships that may be affected by changing the 2<sup>nd</sup> semester schedule.
- 3) Students who wish to have **unscheduled periods** during the school day, must have earned a minimum of **24 credits**, be on track to graduate, have **no NG's** and complete a "**no credit release**" application. This form must be signed by their counselor and parent. Forms will be available beginning December 17 and must be completed by January 10.
- 4) All **counselor assisted schedule adjustments require a \$10 fee**. Schedule adjustment forms will also be available beginning December 17 and must be completed by January 22.
