***Athletic Physicals:** Try-outs for winter sports will begin on Monday, November 10th. Student athletes will need a physical before being allowed to participate on a sports team. Physical exams performed within the last 12 months are still valid, as long as they are on file at MMHS. MMHS will be holding physical exams this upcoming Wednesday, November 5th, starting at 3:30 pm and going until 7:30 pm, in the MMHS Athletics Commons (Physicians will be in attendance for these exams). This is for anyone who needs a physical for participation in athletics. The cost is \$20.00. This money is a fundraiser for the athletic training budget and helps us purchase necessary items to care for our athletes! Paperwork can be completed ahead of time and is available online at: registermyathlete.com. All athletes need to register on this site to try-out for a sport. Physical forms can be found on the "Register My Athlete" website, in the main office, and will also be available at the check-in desk at the time of your physical. If you have any questions, please contact Krista Prusak, our Athletic Trainer, in Room C-105, or the athletic training room. You may also contact Krista at: krista.prusak@nebo.edu or [801-310-9987](tel:801-310-9987).

***GIS Day:** UVU is hosting their annual GIS Day on November 13th and we are inviting interested MMHS students to ride the district bus to the event. GIS uses computer programming software to create maps for private and public organizations. If your student loves computer programming or has always wanted to learn how to create or design maps, this event is for them! Have your student contact Mrs. Dunn ASAP in C100 or by emailing robyn.dunn@nebo.edu if they would like to reserve a spot on the bus.
