**\*Attendance Information:** We have listed the following information in hopes of answering some of your attendance questions.

- If your student gets marked absent or tardy, and you feel it was in error, please contact the teacher of that class as soon as possible. The teacher, not the attendance office, is responsible for removing or correcting attendance errors.
- Please check your student's SIS Student Summary at least weekly, to be sure absences and/or tardies have been cleared. In the Student Summary area, select "tardies" or "absences" to review your student's attendance for the term. If you have questions about an attendance mark, please refer to the "Attendance Codes" at the bottom of the summary page.
- Please remember all tardies and absences need to be **cleared within "5" days!**
- NOTE: Absences and tardies will not clear until 24 hours AFTER the absence has been excused.

If you have any questions, please call our attendance office @ 801-794-6744, option #1. Thank you!
