Second Semester Class Changes:

Beginning December 17 and ending January 10, the student SIS/Aspire account will include a “scheduling” tab that will allow students to make adjustments to their 2nd semester schedules **without a fee**. Students and parents who make use of this option should be aware of the following:

- 1) The system will allow **changes to required classes**. Use caution when changing a full year, or a required class. Make sure there is room in another period to schedule required classes before dropping it from the scheduled position. **Many classes are full**, and dropping from a full class may mean not being able to replace the class.
- 2) Certain scholarships, **Regent’s** and **NCAA** for example, have specific course requirements beyond the graduation minimum. Please be aware of the requirements of any scholarships that may be affected by changing the 2nd semester schedule.
- 3) Students who wish to have **unscheduled periods** during the school day, must have earned a minimum of **24 credits**, be on track to graduate, have **no NG’s** and complete a “**no credit release**” application. This form must be signed by their counselor and parent. Forms will be available beginning December 17 and must be completed by January 10.
- 4) All **counselor assisted schedule adjustments require a \$10 fee**. Schedule adjustment forms will also be available beginning December 17 and must be completed by January 22.

***Concurrent Enrollment:**

Dear Parents/Guardians:

Maple Mountain High School is pleased to partner with Utah Valley University (UVU) to provide Concurrent Enrollment (CE) courses. Online enrollment for Spring Semester classes at UVU has begun. If your student is enrolled in a class at MMHS next semester that offers Concurrent Enrollment credit, we strongly encourage you to have your student complete the admissions process for UVU immediately rather than wait for our semester to begin (our semester begins on January 19, 2016). Once they have been admitted to UVU as a Concurrent Enrollment student, they can register for classes. It takes about 48-72 hours for the admitting process to be finalized. There is a \$35 one-time registration fee payable online to UVU.

We have a very tight deadline this year and we don’t want anyone to miss out on this opportunity. Here are the upcoming deadlines for UVU:

January 20

- Last day to complete UVU Admission
- Last day to submit prerequisite Accuplacer test scores, PLAN test scores, transcripts, and/or ACT scores to UVU’s concurrent enrollment office

- ☐ Last day to submit “Sophomore by Exception Application” with completed prerequisites
 - o Sophomores **MUST** complete this application to apply for concurrent enrollment courses
- http://www.uvu.edu/concurrent/docs/sophomore_by_exception_2015_16_final_interactive.pdf

January 22

- ☐ Last day to complete course sign-up
- ☐ Tuition due (\$5 per credit)

March 8

- ☐ Last day to drop UVU course without a W

***MMHS Greenhouse Poinsettia Sale:** Please keep in mind this holiday season that Mrs. Gardner's Floral & Greenhouse Management Classes have beautiful poinsettia plants for sale in our greenhouse. The cost is \$8 per plant. If you get at least 5 plants, Mrs. Gardner can do \$7 per plant, and 10 or more will be \$6 per plant. The proceeds go back into Greenhouse account, so we can continue doing fun labs. The plants are still changing colors so if you want any before Dec 7th, just let Mrs. Gardner know and she can pick the plant that is the most red for you, but just know they will continue to change. You can pre-order with Mrs. Gardner now to make sure you get one! Her e-mail address is: jen.gardner@nebo.edu
