- Please check your student's SIS Student Summary at least weekly, to be sure absences and/or tardies have been cleared. In the Student Summary area, select "tardies" or "absences" to review your student's attendance for the term. If you have questions about an attendance mark, please refer to the "Attendance Codes" at the bottom of the summary page.
- Please remember all tardies and absences need to be **cleared within "5" days!**
- NOTE: Absences and tardies will not clear until 24 hours AFTER the absence has been excused.
