STUDENT COUNCIL ELECTION MEETING

If you are interested in running for Student Council next year, we are holding a meeting in Mr. Smith's room (E100) on February 13th right after school. Come get the necessary information to run for next year!

PARKING LOT SAFETY

Parents: Please remind your students to drive safely and with caution in our school parking lots, even after school hours and on the weekends. Spanish Fork Police Department has been notified numerous times in the last while with reports of wreckless driving in the parking areas around our school. Please, please remind your students to drive with caution at all times! And now with the winter weather upon us and the roads and parking areas sometimes a little more slick, students need to slow down and drive with caution.

CONCURRENT ENROLLMENT

If you are taking a concurrent enrollment class this semester, you will be receiving a parent permission form to complete your registration process. You must turn this form in to Mrs. Dunn in C100 by Wednesday, February 12th. UVU reserves the right to drop you from your concurrent enrollment courses if you don't have this form turned in. If you didn't get a form, you

can pick one up from your concurrent enrollment teacher or Mrs. Dunn. (Parent Permission Form below)

***Attendance Information:**

Parents -- If your student checks out early or comes in after school has begun, please remind them to stop by the front office to sign in or sign out. This helps us in tracking the classes they have missed. Please understand that signing in or out does not automatically excuse a student's absence. A parent or guardian still needs to contact the school to excuse their student. Please contact Mrs. Davis in our attendance office if you have questions or concerns.

STUDENT ID CARDS

Students will need their MMHS ID Cards to get into all home sporting events or they will be charged the student fee of \$5. Please remember to bring your ID cards with you to our home games. If you have misplaced your card, please pay \$5 to the finance office and bring your receipt to the front office for a reprint. Thank you!

DIGIGIRLZ CAMP

Junior and senior girls have the opportunity to visit Microsoft's campus to experience their DigiGirlz Camp; a technology event for girls that works to dispel gender stereotypes of careers in the high-tech industry. Sessions will be held on skills such as programming, graphics, problem-solving, video creation, technology exploration and more. Interested students should contact Mrs. Robyn Dunn in C100 ASAP if they want to attend this event. Space is limited! Registration is free and transportation will be provided. (info flyer below)

**2019-2020 UTAH SYSTEM OF HIGHER EDUCATION
CONCURRENT ENROLLMENT PROGRAM PARENT PERMISSION FORM**

Concurrent Enrollment Program Terms and Conditions

1. Concurrent Enrollment (CE) provides high school students an opportunity to take classes that earn both high school and college credit.
2. CE classes are college classes that require rigorous academic work. Course content may include controversial cultural, religious, political, aesthetic and human sexuality topics. Students must have the maturity to engage with the material in an academically appropriate manner and the organization and time management skills to complete more rigorous and demanding work than is required in high school. Students must also meet all college/university prerequisite requirements before enrolling in a CE class.
3. The CE program is open to students in grades 9, 10, 11, and 12. Students must be enrolled in a Utah public high school and be counted in the average daily membership. Students who have received a diploma, whose class has graduated from high school, or who have participated in graduation exercises are not eligible to participate in the CE program. Home-schooled students are eligible to participate in CE classes with permission from their local resident high school. Home-schooled students are subject to the same obligations as any student in the CE program.
4. Students may enroll in up to 30 CE credits per year. A CE class may not be repeated.
5. CE class registrations and grades, including withdrawals, are recorded on permanent high school and college transcripts, which may later impact eligibility for scholarships and financial aid and admission to certain college or university academic programs.
6. Withdrawing from or failing a CE class may impact a student's ability to receive financial aid in the future or enroll in additional CE classes.
7. **SUBMITTING THIS FORM DOES NOT ENROLL THE STUDENT IN CE CLASSES.** Students must complete the college or university's online enrollment process and pay CE class tuition.
8. A student who wishes to withdraw from a CE class must do so through his/her high school AND the college/university.
9. Although CE credit transfers from one Utah public institution to another, students should consult a college/university academic advisor to make class choices that meet their educational goals and transfer as equivalent credit.
10. CE students must abide by the college/university Student Code of Conduct and the high school Student Code of Conduct.
11. Students must contact the college/university CE administrator to request accommodations for a disability that may be required under the Americans with Disabilities Act and Section 504 of the Rehabilitation Act.

STUDENT ACKNOWLEDGEMENTS

- I have read and understand the terms and conditions of the CE program and wish to participate.
- I agree to abide by the terms and conditions of the CE program or risk loss of CE credit or removal from the CE program.
