- Our attendance secretary does her very best to answer her telephone throughout the day. If you call and get her voicemail, she is either on another call helping a parent, or she has stepped away from her desk for a moment, so please leave a detailed message regarding your student (whether it is to excuse an absence or to check-out your student). She retrieves her messages continually throughout the day! If you need to speak with her, leave that in your message, and she would be happy to call you back. Please note: You can leave messages to excuse your student 24 hours each day, not just during school hours.

***Boys' Tennis:** There will be a sign-up meeting for all boys interested in trying out for the MMHS Boys Tennis Team this Friday, February 6th, during lunch in the team room.
