MMHS ELLEVÉS TAKE 5th AT STATE 5A DRILL COMPETITION

On Tuesday, January 28, 2020, the MMHS Ellevés competed in the State 5A Semi Finals Drill Team Competition held at UVU. Teams were placed in "pods" of four based on their RPI ranking. Two teams from each pod advanced to the finals. The Ellevés were one of the two teams who advanced to the finals from their pod.

On Saturday, February 1, 2020, the Ellevés competed in the finals and placed 5th in the military category, 6th in the dance category and 5th in the character category. Overall Maple Mountain placed 5th. There were nine 5A schools competing.

In the 5A Drill Down competition, Maisy Melton, daughter of Aaron and Tanya Melton, was 4th.

Grace Poulsen, daughter of Shannon and Garrett Crane and Neil Poulsen was recognized for being named a member of the 5A All State Dance/Drill Team. Each 5A team sent three girls to learn a routine that they auditioned in front of judges and then 15 girls were selected as the All-State Dance Team. At the State Finals, each member of the All-State Team performed a short, self-choreographed routine and was given a medal.

The Ellevés would like to thank all of the students, parents, administration, and fans who came to State. We really appreciate all of your support this year!

PARKING LOT SAFETY

Parents: Please remind your students to drive safely and with caution in our school parking lots, even after school hours and on the weekends. Spanish Fork Police Department has been notified numerous times in the last while with reports of wreckless driving in the parking areas around our school. Please, please remind your students to drive with caution at all times! And now with the winter weather upon us and the roads and parking areas sometimes a little more slick, students need to slow down and drive with caution.

Utah Higher Education Day for Juniors

College Representatives from Utah will be here Thursday, February 6th, for our juniors. Colleges will provide information pertaining to their specific institution and will answer any questions students may have regarding their school. Junior students will gather in the auditorium at 8:00 AM for a general session, then have the opportunity to attend three breakout sessions of their choice to hear from different schools they're interested in during B1 & B2. It will be an eventful morning full of knowledge from higher education schools to help our juniors start thinking about life after high school.

***Attendance Information:**

Parents -- If your student checks out early or comes in after school has begun, please remind them to stop by the front office to sign in or sign out. This helps us in tracking the classes they have missed. Please understand that signing in or out does not automatically excuse a student's absence. A parent or guardian still needs to contact the school to excuse their student. Please contact Mrs. Davis in our attendance office if you have questions or concerns.

STUDENT ID CARDS

Students will need their MMHS ID Cards to get into all home sporting events or they will be charged the student fee of \$5. Please remember to bring your ID cards with you to our home games. If you have misplaced your card, please pay \$5 to the finance office and bring your receipt to the front office for a reprint. Thank you!

PARENTS OF SENIORS!

Be sure your students have checked to see if they can complete a career pathway. Many seniors only need one or two more classes next semester to complete a pathway and earn a white honor cord to wear at graduation. Check out the requirements on MMHS Website under Departments, or click this link [CTE Pathways](#). Class changes have to be done this week! Students with questions can ask their CTE teacher or Mrs. Robyn Dunn in C100.
