Please encourage your student to make good use of this time. We will have a wide variety of careers and hope that your student will take advantage of this opportunity to speak with professionals in the field they want to go into. Our presenters are volunteering their time and we appreciate their efforts.

If you would like to speak to students about your career during our Career Day, we would love to invite parents to participate. In keeping with the Utah State Office of Education's "Step Up to Higher Education" program, we are looking for careers that require "1, 2, 4 or more" years of training or education after high school. For more information, please contact Robyn Dunn our Work-based Learning Coordinator, at robyn.dunn@nebo.edu. We will also have a mini-career fair during lunch with approximately 15 vendors available for students to visit with. Vendors will include cosmetology schools, military recruiters, MATC, and other trade schools.
