*Maple Mountain High School Welding Class needs your help to send its Welding Fabrication Team back to Kansas City, MO for the National Competition. Back in March, our team of three boys took first place at the state level and were invited back to compete among the top teams in the country. In hopes to help with this cost we would like to invite you to sign up and bring in anything you need to have repaired or re-welded. If you provide the material to fix your project, we will weld it back together for you. In return, we ask that you please donate money when your project is completed to help these boys make it back to Kansas City. The MMHS Welding Fix It Saturday will be held June 8th from 8am to 4pm. We ask that you please be generous in your donations, but the amount donated will be up to you. To set up a time or discuss your project needs, please contact MMHS welding instructor, Jared Massic at: Jared.Massic@nebo.edu or call him at [801 794 6740](tel:8017946740).
