

## **MMHS Eagle HighFLIGHTS: 8-21-17**

MMHS parents who are interested in serving on our School Community Council, please e-mail Joy Maughan ([joy.maughan@nebo.edu](mailto:joy.maughan@nebo.edu)), to get your name on the ballot. Our School Community Council is a very important part of our school and participates in the review and development of our Trust Lands proposal and School Improvement Plan, along with serving on our School Safety Committee. We will post the names of those who are running for our council on our web page. Elections will be held during the first week of school (August 22-28). Patrons can vote at our school during regular school hours, from 7:30am-3:30pm. When elected to our school council, you will be accepting a two-year term to serve. SCC meetings are held each month, beginning at 3:00pm. Thank you!

**First Day of School – August 22<sup>nd</sup>:** We are so excited a new school year is about to begin, and very fortunate to have such a beautiful school facility, incredible faculty and staff, and definitely the most amazing students – all here at MMHS!

School will begin tomorrow, Tuesday, August 22<sup>nd</sup>. We will “kick-off” our first day with a Welcome Back Assembly in the auditorium, promptly at 7:50 a.m. (Bell schedule for our first day listed below)

Our student council is excited about this year’s MMHS Golden Eagle theme: RISE (Reach, Inspire, Serve, Endure). We will be focusing on one acronym each term. More information will be shared at our Welcome Back Assembly!

**Students:** Be sure to print your schedules before you come to school tomorrow (or if you have internet access on your phones, you may view that way instead). Room numbers should be showing up on schedules by tomorrow, but if you do not have room numbers listed, we have lists around the school of teacher names and room numbers to assist you in finding your classes. (We’ve also attached this list below.) School maps are available in the front office, if needed.

On Thursday August 17 the Maple Mountain Lady Golden Eagles Soccer team met rival Salem Hills on the pitch. Before the game they paused to honor the Salem Hills Goalie Nikki Finau who has been diagnosed with Leukemia.

The Lady Golden Eagles presented Pink Roses to the members of the Salem Hills Soccer team and wore pink headbands in honor of Nikki.

Salem Hills Soccer Coach Lee Gillie commented, "Nikki has dealt with health challenges the few years that I have known her. You would not know it from appearance or her attitude. Nikki is always positive and hard working. As a goalkeeper she has great hands. Her best asset is her calmness, never being rattled she can always move on to the next play and help her team."

She was diagnosed with Luekemia the week before tryouts. She is at Primary Children's Hospital undergoing treatment. Nikki will be in treatment for months to come. Coach Gillie says "Nikki is tough - she is working hard to beat this cancer so that she can return to her teammates and protect the net." Maple Mountain Girls Soccer team and All of the Maple Mountain Athletics hopes for a full recovery. She is in our thoughts and prayers.
