***Parent/Teacher Conferences:** Parent/Teacher Conferences will be held on Wed, Sept 16th from 3:30-7:30pm, in our Auxiliary Gym. This is a great time to check your student's progress and visit with their teachers.

***Attendance:** An attendance table will be set-up in the auxiliary gym at parent/teacher conferences for parents to check their student's attendance. Parents may pick-up a Detention Slip at the attendance table to take around to your student's teachers to have signed. Please turn in your slips that night for up to 1 ½ hours of detention credit. Slips must be turned in to Mrs. Davis at the attendance table before leaving parent/teacher conference.

ACT Prep Class: Students who are interested in an ACT Prep Class can sign up now in the Finance Office. The classes will be September 19 and 26 from 8:00 to 11:30 a.m. The cost of the class is \$50 and includes a preparation book. ***Ellevés Silent Auction:** The Ellevés will be holding a silent auction for a Josten's class ring. This will be the ring of your choice and the value of the ring is \$600. This will take place on Wednesday September 16, 2015 at parent teacher conferences. We will start bids at 3:30 p.m. and will end promptly at 7:30 p.m. Starting bid will be \$100 and bids after that need to be increased by \$5 to beat the highest bid. He connects interactively with corporate leaders, employees, and students. He has spoken to over 5 million people in over 150 cities nationally and internationally. In the last 30 years he has presented, often the "opening act" at events featuring such luminaries as Presidents; Gerald Ford, George H.W. Bush, Bill Clinton, and George W. Bush; first ladies Barbara Bush and Laura Bush; and world leaders Mikhail Gorbachev and Margaret Thatcher.

His amazing up-close-and-personal interactive presentation, "Be the Student, Find Your Teacher, Make it Happen." is a humorous, entertaining and inspirational walk through typical personal and professional challenges. What will happen to your organization when everyone adopts the attitudes and skills required to get up one more time, every time, when they're knocked down? Attendees are inspired to solve problems, find answers, keep getting up one more time than they are knocked down and maintain the courage to keep moving forward. **What if you had an astounding memory?** Here's a bonus: In the presentation your audiences will begin to apply his amazing memory methods. These techniques are not only powerfully effective, they are fun to learn. Bob's powerfully effective memory strategies apply to whatever your people need to remember. When attendees leave, they have a greater ability to remember lists, phone numbers, faces, names, and other even more complex information.

Student athlete academic services, professional athletes, college athletic teams, business leaders, corporate executives, sales and service teams, high school students, kids... accelerate accomplishments, wins, performances, profits, grades, accelerate personal power, confidence, opportunities, income...
