CTE CAREER PATHWAYS
PRECISION PRODUCTION TRADES – DESIGN TECHNOLOGY

Required:
Drafting Design Tech I
Architectural Design I

Elective (1.5 credits):
Welding I (1.0)
Woodworking (1.0)
Furniture Design & Manufacturing (1.0)
Carpentry I (ALC) (1.0)
Student Internship (.5)

Sample Career Occupations:
- Architectural Drafter
- Civil Engineer
- Computer-Aided Drafter
- Drafting/CAD Teacher
- Interior Designer
- Landscape Designer
- Mechanical Drafter
- Surveyor
- Urban Planner

Workforce Trends:
Industrial growth and increasingly complex designs will spur growth in drafting services. Best opportunities for drafters with at least 2 years of post-secondary training and CAD system experience.
