Our welding fabrication team for SkillsUSA needs to raise money for travel and material to prepare for the National SkillsUSA Conf. in June. We Typically try to raise about \$1000 for material. The project can be more or less of that, but that would be ideal. We will take patrons for 8 hours.

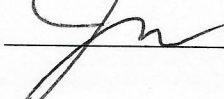

Describe the fundraising activity(ies), including how the money will be collected and accounted for, and identify whether activity is a team/group/organization or individual student fundraising activity.

On May 11th we hold an event in the shop where people bring us projects that need repaired/fixed or built. they pay for metal and then donate to the cause. They will hand money to the cash box on site at the time. We make a list and time slot of all patrons.

Describe any transportation or supervision needed to complete the fundraiser, and explain how potential risks or safety concerns will be addressed.

It's all at school, so the kids will just meet at the school on the day of.

I hereby represent that I am the head coach/advisor of the team or organization named above and that the information provided herein is correct and complete to the best of my knowledge. I have read and understand the fundraising guidelines set forth in Nebo School District Policy #KAC, School Fundraising Activities.
