

REQUEST FOR APPROVAL OF FUNDRAISING ACTIVITY AND PARENT DISCLOSURE

Application Date: 2-20-2020 Name of Team or Organization: Maple Mountain Baseball
 Advisor/Coach: Gary Miner School: Maple Mountain High
 Type of fundraising activity: Team/Group/Organization -OR- Individual Students

Identify the specific financial needs of the team/organization/individuals to be satisfied by this fundraiser. Needs and costs of items must be described in detail rather than simply listing general terms such as "equipment" or "travel" or "team funds."

Expenses to run our high school baseball program fit primarily into the following categories:
 Tournament Fees: tournament and various camp fees. Additionally, each time you attend a tournament hotels, meals, etc. are also a part of that expense.
 Banners: while we use banners as our fundraising effort, there is obviously an expense in getting them created. A new banner is about \$80. Because of the high winds on our field, we also have expense in repairs. Last year we spent about \$2000.
 Field Related Expenses: things like chalk, field dirt conditioner, quick dry, paint, mound clay, new bases, home plate and mound replacement, batting cage replacement, protective screens, new practice and game balls, etc. Turf and dirt management and replacement expenses.
 Buses: Travel expenses run anywhere from \$3000 to \$4000 a year.
 Apparel: t-shirts, uniforms, stirrups, hats, hoodies, joggers, socks, belts,
 Team Meals: we like to have team nights to build team chemistry and culture which involves dinner, often hosted and prepared at my house. Occasionally, as reward or appreciation, there are meals/treats for those purposes too.

Describe the fundraising activity(ies), including how the money will be collected and accounted for, and identify whether activity is a team/group/organization or individual student fundraising activity.

4' x 8' banners=if we make, cost is about \$80 per banner. Cost to business is \$400. If a banner renewal, cost to business is \$200. Banners come from local businesses. We do not send boys on cold calls. We suggest that boys sell banners to help offset cost of baseball fees.

Describe any transportation or supervision needed to complete the fundraiser, and explain how potential risks or safety concerns will be addressed.

Other than boys reaching out and communicating with various businesses, they can do so in person, phone, or electronically, there are no transportation or supervision needs. Most of the time we give the boys the specific business contact to make the transaction easier. Artwork and communication for banners to printing service is done by the coaching staff.

As we buy apparel, hats, shirts, etc., we always buy with the intent of having items available for parents, athletes and others in the community who want to support. Therefore, we always buy far more than just what will be potentially purchased by team members. We have very small mark ups, (T-shirt our cost \$16, sold for \$20.) Selling the extra apparel helps get our brand into the community and helps those involved identify as a community.

Describe any transportation or supervision needed to complete the fundraiser, and explain how potential risks or safety concerns will be addressed.
