

# REQUEST FOR APPROVAL OF FUNDRAISING ACTIVITY AND PARENT DISCLOSURE

Application Date: September 5th 2019 Name of Team or Organization: Student Council  
 Advisor/Coach: Lynette Ethridge School: Maple Mountain High School  
 Type of fundraising activity:  Team/Group/Organization -OR-  Individual Students

Identify the specific financial needs of the team/organization/individuals to be satisfied by this fundraiser. Needs and costs of items must be described in detail rather than simply listing general terms such as "equipment" or "travel" or "team funds."

The student council provides many services and events for the student body of Maple Mountain High School. These events require funds to carry them out. At times the student council charges admission for some events in order to cover the cost of the event and help pay for other events that are free of charge to the student body. This request is specifically for Homecoming week. During this week the student council has many activities including the senior sunrise, Music Fest, Drive-in Movie, a tailgate party, and of course the Homecoming Dance. For these activities we provide food for the students, we pay for the DJ and decorations for the dance and Homecoming game, we need a pop-up for shade for the tailgate party. The funds we raise during Homecoming week will also help cover other activities we provide for the students throughout the year.

Describe the fundraising activity(ies), including how the money will be collected and accounted for, and identify whether activity is a team/group/organization or individual student fundraising activity.

During Homecoming week we charge for a few of the activities. When we charge for activities we have school personnel sell tickets and take money at the door. The student council pre-sells tickets for the homecoming dance at lunch under the supervision of the advisors. All money goes to the finance office where it is counted and accounted for. We fill out purchase orders to access the funds from the finance office.

Describe any transportation or supervision needed to complete the fundraiser, and explain how potential risks or safety concerns will be addressed.

We don't have any transportation needs for these fundraisers. As far as supervision, we have 2 advisors for the student council as well as many parents that come and help chaperone. MMHS Administration is also supervising and able to help with any safety concerns.

I hereby represent that I am the head coach/advisor of the team or organization named above and that the information provided herein is correct and complete to the best of my knowledge. I have read and understand the fundraising guidelines set forth in Nebo School District Policy #KAC, School Fundraising Activities.
