Identify the specific financial needs of the team/organization/individuals to be satisfied by this fundraiser. Needs and costs of items must be described in detail rather than simply listing general terms such as "equipment" or "travel" or "team funds."

Looking to get new jerseys for the Varsity team. Need more balls to keep up with the number of players in our program. One more cart so that each gym can have two for practices.

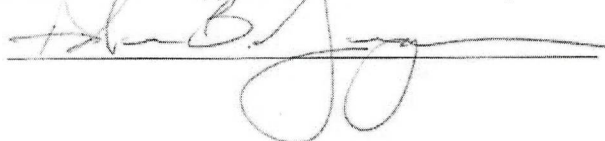

Describe the fundraising activity(ies), including how the money will be collected and accounted for, and identify whether activity is a team/group/organization or individual student fundraising activity.

It will be a program fundraiser with all money going directly to the volleyball program. We will run a typical 4 day summer camp for both junior high and high school aged student-athletes. Preferably payment will come by check. Expenditures will include payment to coaches running the camp, meals, housing, and travel for coaches.

Describe any transportation or supervision needed to complete the fundraiser, and explain how potential risks or safety concerns will be addressed.

No transportation is needed. Me and/or a member from my coaching staff will be present at all camp sessions. The only safety risks should be that which normally occurs during volleyball training.

I hereby represent that I am the head coach/advisor of the team or organization named above and that the information provided herein is correct and complete to the best of my knowledge. I have read and understand the fundraising guidelines set forth in Nebo School District Policy #KAC, School Fundraising Activities.
