Identify the specific financial needs of the team/organization/individuals to be satisfied by this fundraiser. Needs and costs of items must be described in detail rather than simply listing general terms such as "equipment" or "travel" or "team funds."

We use the \$.45 per meat stick bought to help pay for a mutliture of things in the welding lab and SkillsUSA activities. The money this year will help cover some of the cost with new welding helmets in the shop, as well as food for monthly activites. We also use the funds to pay for students contests fees (\$40 a students) after they have paid for their own registration.

Describe the fundraising activity(ies), including how the money will be collected and accounted for, and identify whether activity is a team/group/organization or individual student fundraising activity.

The advisor places meat sticks in the shop vending machine that all students can purchase. the funds in the cash box are taken to the finace office, counted, and allocated to our account. Again the money helps the whole class, and club.

Describe any transportation or supervision needed to complete the fundraiser, and explain how potential risks or safety concerns will be addressed.
