 Type of fundraising activity: Team/Group/Organization -OR- Individual Students
 Name of Fundraiser: Maple Grove Middle School - Classroom Materials

Identify the specific financial needs of the team/organization/individuals to be satisfied by this fundraiser. Needs and costs of items must be described in detail rather than simply listing general terms such as "equipment" or "travel" or "team funds."

The money recieved from the fundraiser is a lump sum based off completing the work. We are encouraging team members to bring friends and siblings to help unload the classroom materials. We anticipate putting the \$1500 from the fundraiser toward the bus for our overnight travel to Boise, Idaho during the season. This bus price is usually our most expensive cost during the season. Putting the money there will help lower the cost of the trip for everyone. We are keeping track of who comes to the project, so if this trip does not happen, we can divide the money up and apply it to individual student costs, though we would prefer it go to that specific trip.

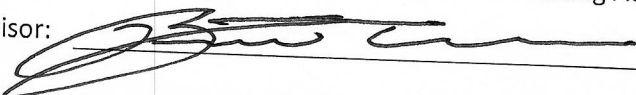

Describe the fundraising activity(ies), including how the money will be collected and accounted for, and identify whether activity is a team/group/organization or individual student fundraising activity.

There will be no collecting of money by students. The Maple Grove Middle School principal will send the money to Maple Mountain High School

Describe any transportation or supervision needed to complete the fundraiser, and explain how potential risks or safety concerns will be addressed.

Students will meet at Maple Grove Middle, so we will not be transporting them. Adminstratrators from Maple Grove and coaches from the team will be with the athletes the whole time.

I hereby represent that I am the head coach/advisor of the team or organization named above and that the information provided herein is correct and complete to the best of my knowledge. I have read and understand the fundraising guidelines set forth in Nebo School District Policy #KAC, School Fundraising Activities.
