Identify the specific financial needs of the team/organization/individuals to be satisfied by this fundraiser. Needs and costs of items must be described in detail rather than simply listing general terms such as "equipment" or "travel" or "team funds."

Marching Band and Orchestra ensembles will be traveling to St. George and LA, California for our Tour this year. Money earned from this fundraiser will help lower the overall cost per person so that students don't have to earn or pay as much individually.

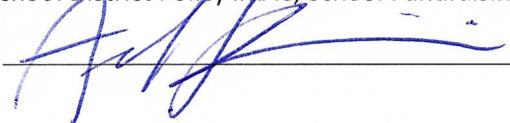

Describe the fundraising activity(ies), including how the money will be collected and accounted for, and identify whether activity is a team/group/organization or individual student fundraising activity.

This is a group fundraiser that will help all involved students equally. Students will advertise through a specialized website, asking for relatives, friends, and neighbors to donate to the cause through Snap! Raise.

Describe any transportation or supervision needed to complete the fundraiser, and explain how potential risks or safety concerns will be addressed.

No transportation. All information will be completed online. We have special monitoring in place so that students are safely represented on the created website.
