Identify the specific financial needs of the team/organization/individuals to be satisfied by this fundraiser. Needs and costs of items must be described in detail rather than simply listing general terms such as "equipment" or "travel" or "team funds."

This fundraiser will help our program get out of the hole from the gear purchases needed from last year. We will use this fundraising money to help pay for travel to our tournaments, our charter bus to Reno for our out of state tournament, new two-piece singlets and senior singlets, tournament fees and hotel fees.

Describe the fundraising activity(ies), including how the money will be collected and accounted for, and identify whether activity is a team/group/organization or individual student fundraising activity.

The money is collected through an app or by check/cash and turned into the office. It's a very organized process through Justin who runs the fundraiser. We accounted for money last night and made sure all of the girls had the correct amount of money collected. This is a team fundraiser.

Describe any transportation or supervision needed to complete the fundraiser, and explain how potential risks or safety concerns will be addressed.

There are no transportation or supervision risks. The girls reach out to friends and family who are wanting to purchase cookie dough or jerky on their own time and arrange for cookie dough and jerky to be picked up.

I hereby represent that I am the head coach/advisor of the team or organization named above and that the information provided herein is correct and complete to the best of my knowledge. I have read and understand the fundraising guidelines set forth in Nebo School District Policy #KAC, School Fundraising Activities.
