MMHS Eagle HighFLIGHTS:
*Sterling Scholar State Finalists: We are pleased to announce that two of our Sterling Scholar nominees qualified for the State Final interviews. Robert Nay in Computer Technology and Anthony Scoma in English. We wish them the very best as they prepare for the final competition on February 24.

*MMHS Science Olympiad Team: The Science Olympiad team competed on Saturday at Snow College in 24 events in science, technology and engineering. Against 4 other high school we took first in 20 of the events and 1st overall. We also received the sportsmanship award. The team has grown from last year and I am really proud of the work they’ve been putting in. The next regionals is at Westminster college next Saturday where they will compete against a much tougher field.

**SAGE Summative:** Summative adaptive assessments required for state and federal accountability provided for English language arts (ELA), math and science. CTE classes have final exams, as well as AP classes and concurrent enrollment classes.

**MMHS Attendance:**

- If your student will be missing three or more consecutive days of school for vacation, please have them stop by the attendance office to pick-up a “Pre-approved Absence Form.” This form needs to be signed by all of your student’s teachers, and will also need parent and student signatures. Once completed, please submit this form to the attendance office for administrative approval. If approved, these absences will not count against your student’s citizenship points. Thank you!

**Students Missing School and Needing Homework:** Students who miss school due to illness, vacation, etc., need to e-mail and work with their student’s teachers on getting missing work. E-mailing teachers is the easiest and most effective way to communicate during the time you are absent. E-mail addresses may be accessed through your student’s SIS Student Summary. You may select to e-mail one or all of your student’s teachers through this area. Please know we are more than happy to assist students and parents with extenuating circumstances -- parents may contact the Counseling Office if that help is needed!

**SheTech Explorer Day:** SheTech Explorer Day is coming up on March 13 at UVU. This is a great event geared towards teaching girls about careers in Science, Technology, Engineering and Math. They have great workshops and vendors available and lunch is provided. We encourage all interested girls to register for this event at www.shetechexplorer.com and then sign the clipboard in the Counseling Office so we can keep track of how many students are planning on attending. We have a few more spaces on the bus and we'd love to
have every interested girl attend. There is no fee to attend this event. If you have questions, please email Robyn Dunn at robyn.dunn@nebo.edu.

*Parent Awareness Night:* Nebo School District will present a Parent Awareness Night in accordance with Utah House Bill 329 Programs for Youth Protection. The topics of discussion will include: 1) Substance abuse; 2) Bullying prevention; and 3) Mental health services addressing depression, suicide awareness and suicide prevention. Several community service providers will be present to answer questions and help individuals to access services.  

The February 7th event has been rescheduled for March 16th.  

**Date:** Monday, March 16, 2015  
**Time:** 6:30 p.m.  
**Location:** Payson High School auditorium (1050 South Main Street, Payson, Utah)
