Be aware that the yearbook staff selects the best images to match the story of the page so not all submissions are used. Submit any images you want to tyler.lewis@nebo.edu and include the first and last names of any students in the image. Thank you!

ALC STUDENTS

MMHS students who will be attending the ALC need to be aware of the following:

- Students need to be responsible for communicating with their teachers if they need to leave class early to get to their ALC classes, or if they will be arriving late from their ALC classes. MMHS teachers are very willing to work with students on these types of schedules, so please be sure to communicate with them.
- When our school is on an assembly schedule, please remember that the ALC bell and bus schedule **DO NOT change**. They run on their normal schedules every day!!!
- **The bus picks up our ALC students in the bus lane, which is located at the North end of the school. This is a new bus pick-up and drop-off location from last year so please make note of this update.** Please be prompt when meeting the bus!!! They run on a very tight schedule, trying to pick-up high school students throughout the district and transporting them to the ALC building located in Salem, and cannot wait for students who are running late. Students who miss the ALC bus are responsible for working out their own transportation to the ALC – the bus will not return to pick-up late students.
- We have ALC bus and bell schedules in the front office, and they may also be accessed on the ALC website.
- Please always check in the front office if you have questions or need assistance. The ALC phone number is: 801-423-7029

IMPORTANT ATTENDANCE INFORMATION

When checking out your student, please call ahead (or send a note with your student) to speed up the check-out process. **DO NOT** leave a message or send an email for immediate check-out. If you cannot get through on our attendance line, please call the main office and someone will assist you (801-794-6740).

When calling the attendance office please listen to both options. Option #1 is for immediate check-out or to speak with Mrs. Bingham, our attendance secretary. Option #2 is to leave Mrs. Bingham a voicemail to excuse your student. (These messages may be left after school hours and can be excused within 5 days of the absence.) You may also excuse your students by emailing her at camibingham@nebo.edu.

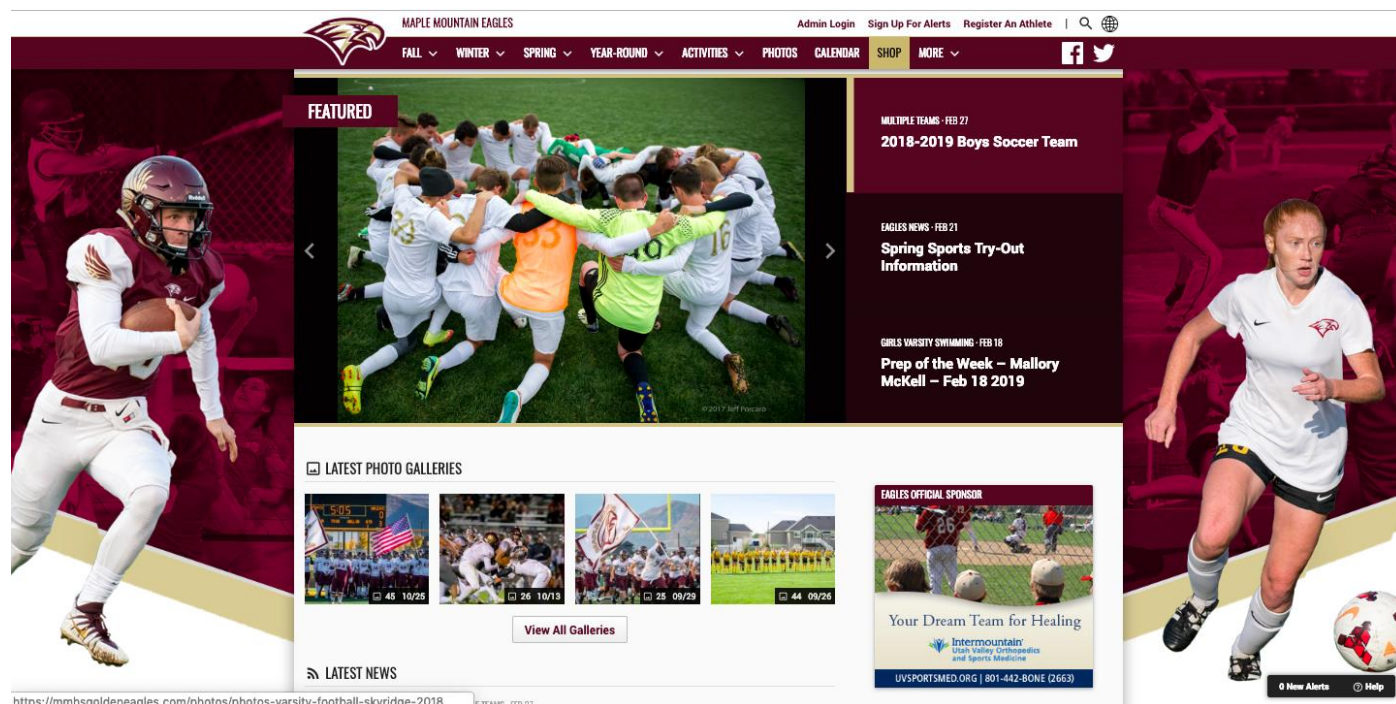

For immediate check out please call Mrs. Bingham at 801-794-6740 and select option #1. To excuse your student for past or upcoming absences, please leave a voicemail by selecting option #1, then option #2, or you may email Mrs. Bingham at camibingham@nebo.edu. You may excuse an absence or tardy **within five days** and will only be able to excuse five tardies per term. Tardies cannot be excused in between class periods or 2nd or 4th period.

Attendance recovery will still be held in the library computer lab. It will take place every day at lunch and Mondays and Wednesdays after school. Students can also arrange attendance recovery options with individual teachers.

If you or your student feels there was a mistake made on their attendance, please have your student talk with the teacher to have it resolved. For example, if they were present or tardy but marked absent by mistake, they would need to clarify that with the teacher who took roll.

Golden Eagle Fans:
