MAY COUNSELING NEWSLETTER

Parents and students, be sure to read our [May Counseling Newsletter](#) for important information about scholarships, graduation, and more.

SENIORS—SUU SCHOLARSHIP DEADLINE EXTENSION

Good news! SUU has extended their scholarship deadline until **June 30, 2023**.

This means any student who has not applied to SUU can still submit a free application and qualify for an academic scholarship (excludes Presidential Scholarship).

This also means any student who applied after the March 1 deadline will now qualify for a scholarship, and they should have been contacted by our financial aid office.

This is extremely beneficial because students can wait until their Spring Term grades have been posted, and if they qualify for a better scholarship, they can still be awarded the higher scholarship.

GIRLS SOCCER PARENT MEETING FOR FALL SEASON

We will be having the Maple Mountain Girls Soccer meeting for Fall 2023 on **Monday, May 15th** at 8:00 p.m. in the cafeteria at the high school. Interested students and their parents are invited to attend.

SAGE CREEK ELEMENTARY TIME CAPSULES!

Any seniors who attended Sage Creek Elementary are invited to come back and open their time capsule on **May 23rd at 3:00 p.m.** out in front of the school!

PARENT SUB OPPORTUNITY

If any parents are interested in subbing at our school, that would be wonderful! Just log on to www.EDUStaff.org or call EduStaff at 877-974-6338, for more information. This would be a great way to earn a little extra money and also be a part of our fun MMHS team.

HOBY LEADERSHIP CAMP FOR SOPHOMORES

The Hugh O'Brian Youth Leadership (HOBY for short) program is a global non-profit focused on building young leaders. It centers on a Social Change Model and prepares students for a lifetime of leadership and service during the seminar. High schools from all over the state of Utah send students, so it's a great way to make lifelong connections to other leaders.

This year our seminar will be from June 14-17th at Wasatch Academy in Mt. Pleasant, Utah. We are able to offer each school limited attendees, so MMHS students will be selected on a first come/first serve basis. There is a fee of \$395 per student. This fee can be divided into payments if necessary. See the flyer below for more information.

ALC STUDENTS

MMHS students who will be attending the ALC need to be aware of the following:

- Students need to be responsible for communicating with their teachers if they need to leave class early to get to their ALC classes, or if they will be arriving late from their ALC classes. MMHS teachers are very willing to work with students on these types of schedules, so please be sure to communicate with them.
- When our school is on an assembly schedule, please remember that the ALC bell and bus schedule **DO NOT change**. They run on their normal schedules every day!!!
- **The bus picks up our ALC students in the bus lane, which is located at the North end of the school. This is a new bus pick-up and drop-off location from last year so please make note of this update.** Please be prompt when meeting the bus!!! They run on a very tight schedule, trying to pick-up high school students throughout the district and transporting them to the ALC building located in Salem, and cannot wait for students who are running late. Students who miss the ALC bus are responsible for working out their own transportation to the ALC – the bus will not return to pick-up late students.
- We have ALC bus and bell schedules in the front office, and they may also be accessed on the ALC website.
- Please always check in the front office if you have questions or need assistance. The ALC phone number is: 801-423-7029

STUDENT FEES & CHROMEBOOK INFORMATION

If you have not taken care of your school fees, please do so as soon as possible by visiting myschoolfees.com. If you have any questions or concerns, please contact the Finance Office.

IMPORTANT ATTENDANCE INFORMATION

When checking out your student, please call ahead (or send a note with your student) to speed up the check-out process. DO NOT leave a message or send an email for immediate check-out. If you cannot get through on our attendance line, please call the main office and someone will assist you (801-794-6740).

When calling the attendance office please listen to both options. Option #1 is for immediate check-out or to speak with Mrs. Bingham, our attendance secretary. Option #2 is to leave Mrs. Bingham a voicemail to excuse your student. (These messages may be left after school hours and can be excused within 5 days of the absence.) You may also excuse your students by emailing her at camibingham@nebo.edu.

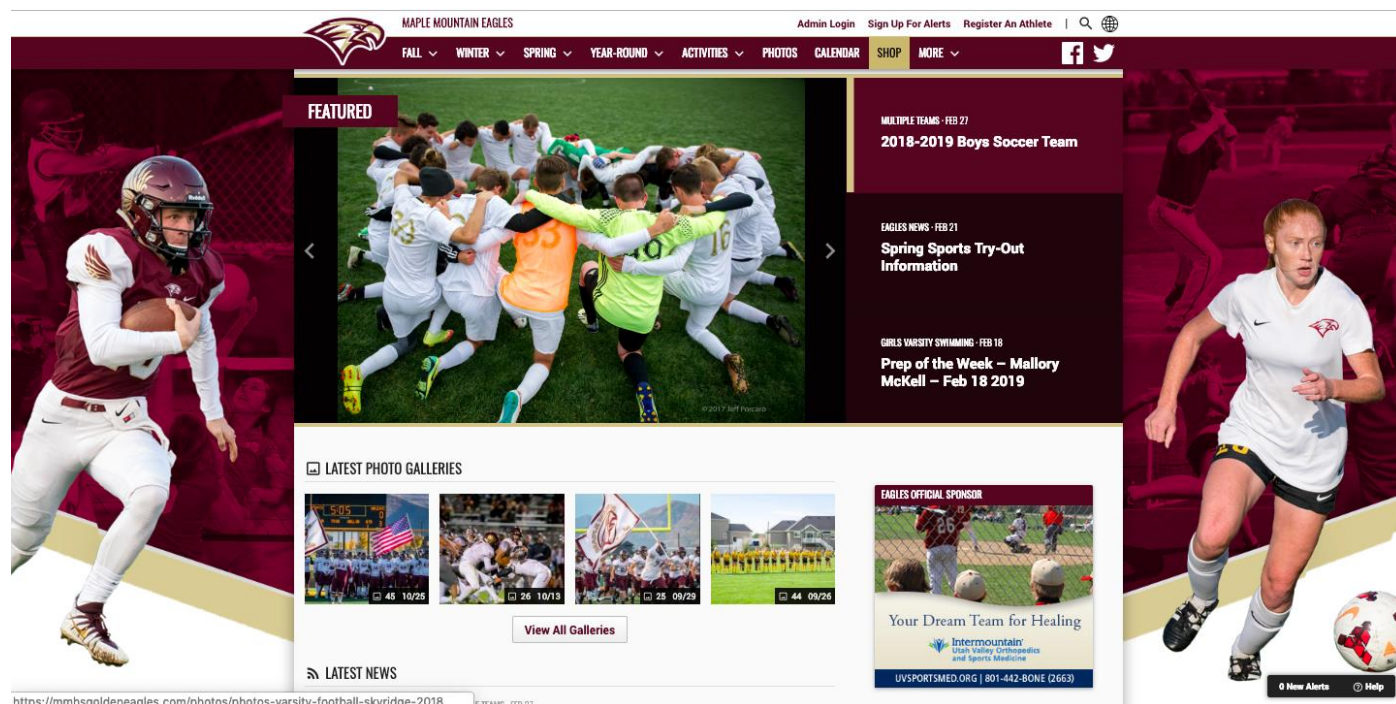

For immediate check out please call Mrs. Bingham at 801-794-6740 and select option #1. To excuse your student for past or upcoming absences, please leave a voicemail by selecting option #1, then option #2, or you may email Mrs. Bingham at camibingham@nebo.edu. You may excuse an absence or tardy **within five days** and will only be able to excuse five tardies per term. Tardies cannot be excused in between class periods or 2nd or 4th period.

Attendance recovery will still be held in the library computer lab. It will take place every day at lunch and Mondays and Wednesdays after school. Students can also arrange attendance recovery options with individual teachers.

If you or your student feels there was a mistake made on their attendance, please have your student talk with the teacher to have it resolved. For example, if they were present or tardy but marked absent by mistake, they would need to clarify that with the teacher who took roll.

WHAT IS HOBY?

Hugh O'Brian Youth Leadership (HOBY) is a 501c3 non-profit organization.

Since 1958, our mission has been to inspire and develop our global community of youth and volunteers to a life dedicated to leadership, service, and innovation.

State Leadership Seminars

Our flagship program welcomes school and community nominated student ambassadors to 3-4 day seminars each spring and summer. Students explore their personal leadership skills and values, and practice those skills while collaborating with diverse groups. They then leverage their new abilities as they apply the value of service leadership to make a positive impact in their communities.

World Leadership Congress (WLC)

Each summer, the WLC hosts student ambassadors representing all 50 states and 15+ countries in a major U.S. city. This week-long, immersive leadership experience challenges students to think critically, communicate effectively, and act with integrity. The WLC leaves students with a robust global network and the tools to change the world around them.

Community Leadership Workshops (CLEW)

Community Leadership Workshops are developed by volunteers across the U.S. for 9th grade students as an introduction to leadership education. These one-day workshops jumpstart students' leadership journeys and connect them to peers in their communities.

8,500+ student ambassadors attend State Leadership Seminars each spring and summer.

500,000+ Alumni are leaders in business, government, nonprofit organizations, the arts, and more!

HOBY by the Numbers

3,000+ volunteers devote their time and energy to planning and producing each leadership seminar.

70+ seminars take place across the United States, Canada, and the United Kingdom.

LEADERSHIP FOR SERVICE

HOBY Alumni rise to the challenge of serving **100 hours of community service** in the year following their seminar.

Since 1998, HOBY Alumni have contributed over **5,000,000 community service hours**.

These service hours resulted in **\$149,483,504 in economic impact** benefiting our communities.

HOBY is worldwide! With Alumni and Volunteers from 30+ countries, the HOBY network is vast and ever growing.
