

Good Morning Eagles!

You're receiving this message because you purchased E-Tickets for last week's football game at Maple Mountain High School. **Please disregard this message if the following information does not apply to you.**

If you plan to purchase tickets for Maple Mountain's second-round state game this Friday, November 6, at 4:00 p.m., you'll need to purchase your tickets before arriving at the gate. State regulations have been adjusted and we will have an even more limited number of tickets available. When tickets are sold out, they are sold out.

**Tickets will be available for purchase beginning at 8:00 a.m. on Wednesday, November 4. Go to this link: <https://mmhsgoldeneagles.com/event-tickets>**

Ticket holders are required to:

1. Purchase tickets online
2. Maintain a 6-foot physical distance between family groups
3. Wear a mask
4. Keep children with family groups
5. Exit the stadium promptly at the end of the game
6. All students in the student section must wear masks at all times and remain physically distanced.

Thanks for an amazing game last week, adherence to the expectations has been overwhelming!

You should already have an account, so processing for this game should be much quicker. Remember, there is a small handling fee associated with online ticket sales and patrons verify that they will wear a mask while on school grounds and physically distance non-household groups.

We have allotted up to four tickets for parents of players, cheerleaders, and drill team in a pre-sale window that is currently open. General Admission sales for all other patrons (including students) will open on Wednesday, November 4 at 8:00 a.m. There will be no credit card or cash ticket sales at the gate, but you will be able to go online and purchase tickets as long as there are tickets available to purchase. Again, tickets are first-come, first-served.

Tickets available:

- Maple Mountain General Admission (limit 4)
- Senior Citizen General Admission (limit 2)
- Child with Parent (limit 2)
- MMHS Student Section (Student ID required, limit 1)
