***IMPORTANT -- Attendance Office Update:** We have a new recording in our attendance office with new options, requesting parents to leave messages regarding their student's absences, or if they have attendance questions, allowing us to free up that line for immediate check-outs. Our attendance office receives hundreds of calls each day, so if your call is not urgent, please leave a message and our attendance secretary will call you back that day. When calling the attendance office, we ask you to please listen carefully to all options before making a selection. Thank you!

Second Semester Class Changes:

Beginning December 17 and ending January 10, the student SIS/Aspire account will include a "scheduling" tab that will allow students to make adjustments to their 2nd semester schedules **without a fee**. Students and parents who make use of this option should be aware of the following:

- 1) The system will allow **changes to required classes**. Use caution when changing a full year, or a required class. Make sure there is room in another period to schedule required classes before dropping it from the scheduled position. **Many classes are full**, and dropping from a full class may mean not being able to replace the class.
- 2) Certain scholarships, **Regent's** and **NCAA** for example, have specific course requirements beyond the graduation minimum. Please be aware of the requirements of any scholarships that may be affected by changing the 2nd semester schedule.
- 3) Students who wish to have **unscheduled periods** during the school day, must have earned a minimum of **24 credits**, be on track to graduate, have **no NG's** and complete a "**no credit release**" application. This form must be signed by their counselor and parent. Forms will be available beginning December 17 and must be completed by January 10.
- 4) All **counselor assisted schedule adjustments require a \$10 fee**. Schedule adjustment forms will also be available beginning December 17 and must be completed by January 22.

***GRADUATION INFORMATION:** Seniors who plan on walking at our graduation will need to rent a cap and gown from Josten's. This is a very simple process! Just go to **jostens.com**, enter Maple Mountain High School as your school. You will find there a selection of cap and gown packages and other graduation items. Please do this ASAP to be sure you have your graduation robes reserved! Students may keep their caps and tassels, but will turn in their rented gowns to Josten's at the end of our graduation ceremony on graduation day. Josten's will have an area set-up at graduation for students to turn in rented gowns. If you have questions, please call Josten's at: 1-800-567-8367.
