DECA ROCKS IT AT STATE

Last week February 24th and 25th our MMHS DECA club competed at the DECA State Convention.

Each student chose a topic, with this topic they are given a role play where they are tasked with resolving a real world issue. They prep for 10 minutes, then present their solution to a judge (boss), judges are business owners in each field. The following students competed at state: Austin Willson, Spencer Shaw, Madison Millard, Keslee Van Orman, Logan Smith, and Gavin Murray. They all competed very well in the respective topics with the final results listed below:

Gavin Murray: Tested in the top 10%, marketing exam, and took 1st place in retail merchandising. Gavin will be competing at the national convention in Atlanta, Georgia in April. Gavin was also offered a job after high school by his judge.

Keslee Van Orman: Finished 11th in Apparel and Accessories.

Austin Willson: Finished 7th in Quick Serve Restaurant.

Logan Smith: Finished top 8th in Sports and Entertainment Marketing

If you see these students please congratulate them for their hard work and great accomplishment. In these events there can be over 100 other students competing.

MMHS DECA would like to also thank those who participated in the service project "Lifting Hands Internationally". Our school took 8th place!!!

MONDAY MAKE-UP DAYS

We will hold four Monday Make-up Days this school year: October 4, December 6, **March 7**, and May 2. On these days students will be released at 1:00pm to visit with teachers regarding missing assignments, grades, etc. Releasing students at this time should also allow our bus students an opportunity to meet with teachers before catching their buses. Buses will run on their regular schedule. Our administration will be emailing additional information to parents regarding Monday Make-up Days. Please contact the school at 801-794-6740 with any questions.

ACT TEST DAY FOR JUNIOR STUDENTS

On Wednesday, March 9th the ACT will be administered to all Junior students at MMHS. Sophomore and Senior students do not need to attend on this day.

- Juniors will need to bring with them a no.2 pencil and an approved calculator if they wish to use one for the math portion of the test. All of the problems on the math test can be solved without the use of a calculator. This year's test does not include the writing section.
- The test must be taken on a school chrome book. Students will need to bring their school issued chrome books fully charged and ready to go on the morning of the test. We will have a limited number of chrome books available for those students who do not have a school issued chrome book.
- Students will be working with their math teachers to create their MyACT accounts and complete the Non-Test Information over the next couple of weeks. Having this done before our test date will allow them to send their scores to four colleges for free and make it easier for them to access their scores when they become available. We ask for your help in encouraging your student to make sure that this is completed before the day of the test.
- Testing will begin promptly at 7:50 so please be on time. A list of room assignments will be posted by the Counseling Office and Library. Testing will take approximately 3 ½ hours and buses will arrive to pick up students at 11:30.

For a practice test and a free guide to help prepare you to take the test online visit

<https://www.act.org/content/act/en/products-and-services/state-and-district-solutions/act-info-for-examinees.html>

Cell phones, smart watches, or any other electronic device that can connect to the internet are not allowed to be used at any time during the test, including breaks. Please make arrangements to leave these items at home on test day.

Important MMHS Attendance Information

Parents -- If your student checks out early or comes in after school has begun, please remind them to stop by the front office to sign in or sign out. This helps us in tracking the classes they have missed. Please understand that signing in or out does not automatically excuse a student's absence! A parent or guardian still needs to contact the school to excuse their student. Please contact Mrs. Davis in our attendance office if you have questions or concerns.

For immediate check out please call Mrs. Davis at 801-794-6740 and select option #1. To excuse your student for past or upcoming absences, please leave a voicemail by selecting option #1, then option #2, or you may email Mrs. Davis at: cheryl.davis@nebo.edu

PTSC Corner:

Our next PTSC meeting will be Tuesday, March 1st at 10:30 a.m. in the Eagle's Nest. We are looking for volunteers to serve on our board for the 2022-2023 school year. If you would like to help, please drop by our meeting or contact Angie Workman at 801-369-0422. We are so appreciative of everyone that is able to help make our PTSC activities a success!

A great big thank you to Kara Murri for leading our Val-o-grams and the dozens of volunteers who helped collect orders, fill and sort the orders, and deliver. A special thanks to our office staff, finance office, and teachers for their help with this large endeavor.

Thank you to Suzanne Asay, Jenny Garrett and Angie Workman for preparing dinner for our amazing teachers on parent-teacher conference night.

As we conclude our sucker sales for the year, we want to give a shout out to our amazing sucker lady, Allison Robison, and Suzanne Asay for being available for our football and basketball games this year! Sucker sales are one of the main ways we fund the activities the PTSC sponsors for our students and teachers.
