

MMHS Eagle HighFlights

March 23, 2020

To Our Wonderful MMHS Students:

Last week you made us so proud. We have been amazed at how well you have adjusted to at-home learning and faced challenges and disappointments with determination and resiliency. You are defining what it means to be a Golden Eagle with an "Attitude of Excellence."

This has been difficult and trying for all involved. Please keep in mind as we continue this week that our teachers and staff members need time to respond to all their emails and individual student situations. Be patient with your teachers, your parents, and yourself.

We miss you!

MMHS Administration

Setting Up Appointments with Teachers

Parents & Students: Our teachers are working at the school and also from home so if you would like to meet with a teacher at a specific time, please email that teacher first to set-up an appointment. That way you don't make a trip to the school to find out they are working from home. And please understand our teachers are trying to respond to a numerous amount of emails so please be patient in waiting for a response. They are trying their best to answer your questions and concerns as timely as possible. Thanks so much!

Chrome Books

Students who are needing to check-out a chrome book we do have more available in our library, so please stop by during our library hours (listed above).
