ACT ASPIRE EXAMS FOR SOPHOMORE STUDENTS

During the week of Tuesday, April 19th to Friday, April 22nd, all of our sophomore students will be taking the ACT Aspire Exams in their core classes. This test is a hybrid of the ACT and Utah State Core. We highly encourage students to give their best effort because this test will give them a predictive score in preparation for taking the ACT next year. Each section of the test will be taken in their English, Math, and Science classes over the course of these four days.

Like the ACT, the test is timed and once a student starts each section of the test it must be finished in that sitting. They can't leave early and come back and finish the section at a later time. We ask for your help in encouraging your student to be on time to all of their classes and to give their best effort on these exams. Also like the ACT, the ACT Aspire is an online exam and must be taken on a school issued chrome book. Students will need to bring their chrome books fully charged and ready to go on the morning of the test. We will have a limited number of chrome books available for those students who do not have a school issued chrome book that they can check-out through the copy center.

If you choose to not have your student participate in the assessments, this form must be signed and returned to the Counseling Office at Maple Mountain.

Attendance Recovery Info

Parents, please urge your children to remain under 10 hours of missed class time, as the school year is coming to an end. Students may do attendance recovery in the library computer lab during lunch every day and after school on Monday, Wednesday and Friday. Students can do attendance recovery with their teachers after school any day. If the attendance recovery lab is closed please see a teacher to get credit for the day.

Important MMHS Attendance Information

Please be reminded that parents can only excuse 1st and 4th period tardies. **Tardies between classes cannot be excused.** Parents can only excuse a total of five tardies per term. Also, please understand that if your student is marked absent or tardy by mistake, they need to visit with the teacher and request to have it removed or changed, then the teacher will contact the attendance office requesting a correction. The attendance office cannot remove or change an attendance mark without receiving verification from a teacher. The attendance office can only excuse an absence but cannot change or remove an absence. As always, please contact Mrs. Davis in our attendance office if you have questions or concerns.

Students: If you are on a school team or going on a scheduled field trip, you may leave class at the time your coach or adviser instructed you to leave and meet the bus. You will not receive a check-out notice from the front office to leave class. Just remind your teacher of why you need to leave and they should allow you to go. Our attendance secretary forwards excuse lists from all school groups so our teachers are aware of students needing to check out.

For immediate check out please call Mrs. Davis at 801-794-6740 and select option #1. To excuse your student for past or upcoming absences, please leave a voicemail by selecting option #1, then option #2, or you may email Mrs. Davis at: cheryl.davis@nebo.edu
