

MMHS Eagle HighFlights

April 13, 2020

MMHS Students,

I sure hope everyone enjoyed Spring Break. I'm guessing it was a bit different with social distancing but hopefully you had fun!

During this pandemic, I have reflected on the many things I sometimes take for granted. I want each of you to know that I'm truly grateful for the time I have spent with students in school during my 33 years as an educator in Nebo School District! I miss all of you so much.

I like this quote: "Happiness is enjoying the little things in life."

You are doing well with your school work. I'm confident you have figured out a system that is helping you be successful. I'm so impressed with your efforts and your resilience at this unique time.

Be Happy,
Mrs. Nielsen

Golden Eagle Students and Parents!

We hope you had a wonderful (and well deserved) Spring Break! We are continuing to learn a lot about this at-home learning process and we are so grateful for your patience and support. We hope you're finding ways to stay connected while staying home.

We are continuing to ask everyone to please stay away from school except for essential visits. Most teachers are working from home now and we are moving to a more essential staff to limit our vulnerability to being exposed to the COVID19 virus. The finance office will be closed through May 1st. You can still make payments online. Please feel free to call or email when you have a question.

In an effort to minimize the anxiety and stress felt by students, parents, and teachers, we are allowing students a choice regarding how their final grade in each class will be recorded on their transcript for the 4th term. At the end of the term, teachers will submit a letter grade for the class. After the grade is submitted by the teacher, the student can choose to keep the standard grade given or move to a pass/fail grade. Students will have one week after grades have been posted to request a change to P/F, otherwise, the letter grade will be the permanent grade on the transcript.

- Standard Grade: A – D- = Pass
- Grade: F = Fail
- A "P" grade will count for academic credit and will not affect GPA.

It is your responsibility to understand how a “P” affects your transcript for college. Consider speaking with a counselor if you have questions.

We really want to help all of our students be successful through these unprecedented times. Please feel free to contact the school if you are having problems – we want to help!

Let’s keep moving forward and make positive memories out of this unique time.

CONCURRENT ENROLLMENT WITHDRAWAL DEADLINE EXTENDED

UVU recognizes the need to be flexible in various areas and one of those areas is extending the semester AND full year withdraw deadline. The deadline to **extend the Spring Semester Withdraw Deadline has been changed to April 24th**. Students will receive a 'W' on their college transcript. This is only for Spring Semester classes and is only for the CE credit not the MM course. Because this option is not right for everyone, students should check with their concurrent enrollment teacher before deciding to withdraw from the CE credit portion of the class. Students who wish to withdraw will need to email ozunasa@uvu.edu and give their name, UVID#, and the name of the course they wish to withdraw from. For questions or help, please email or concurrent enrollment coordinator, Robyn Dunn, at robyn.dunn@nebo.edu.
