

MMHS Eagle HighFLIGHTS:

***MMHS Orchestra:** Wednesday, April 2, the Concert and Chamber Orchestras performed in the Region 8 Orchestra Festival, which was held at Springville High School. Julie Boogert, our string coach, and Rebecca Quinn, our student teacher, worked diligently to help prepare the students for their performances.

While on our tour to Seattle, the Chamber Orchestra had the opportunity to rehearse with and be coached by Mr. Dan Wing, an outstanding string teacher, orchestra director, and clinician from the Seattle area. The students enjoyed the clinic and responded enthusiastically to his instruction. Their musicality and sound were greatly enhanced and improved as a result of his expertise. Both orchestras performed very well and their diligent preparation paid off. The Concert Orchestra earned two Superior (I-) ratings and one Excellent (II+) rating. The Chamber Orchestra earned three Superior (I) ratings, which qualifies them to play at the state festival in May. Congratulations to both orchestras. They can be very proud of their performances and the hard work and effort spent in improving and mastering their playing skills. It is truly a privilege to be associated with such amazing students.

***MMHS Takes 2nd Place at State Science Olympiad!** Building on last year's excellent results, the MMHS Science Olympiad team proved themselves yet again with an impressive 2nd place performance at the University of Utah state competition. MMHS competed alongside 30 other high schools from all across the state, getting edged out by only 8 points to the Utah County Science Club magnet school. Of the 25 different events, ranging from anatomy and entomology to astronomy and maglev, the Golden Eagles took home medals in half of their events. Congratulations team! You have brought some serious honor to our school! The individual winners included:

Rachel Bybee and Tanner Henry for 1st place in Anatomy and Physiology

Rachel Bybee and Rebecca Bair for 1st place in Designer Genes

Rachel Bybee and Tanner Henry for 3rd place in Disease Detectives

John Baadsgaard and Tyler Mortensen for 1st place in Entomology

Sam Dallon for 1st place in Astronomy

Sam Dallon for 2nd place in Dynamic Planet

John Baadsgaard and Anya Nielson for 1st place in Rocks and Minerals

Sam Dallon and Tyler Mortensen for 2nd place in Materials Science

Robert Nay and Rebecca Bair for 3rd place in Forensics

Robert Nay and Scott Griffin for 1st place in Maglev

John Baadsgaard and Jon Smith for 3rd place in Boomilever

John Baadsgaard for 3rd place in Geologic Mapping

***MMHS Dance Company:** Congratulations to the Dance Company for receiving SUPERIOR ratings at the Dance Company Festival and Adjudication (DCFA) last week. Whitney Johns, Elise Barney, Anna Tanner, McCall Moon, Faith Taylor, and Madie Crandall all received superior scores for their choreography. A very special congrats for Elise Barney. Her piece entitled "Ties That Bind" received the judges' choice award for the evening.

Monday E-mail to Parents & Students: 4-14-14

*For more school information, please go to our school website at: <https://mmhs.nebo.edu>

***Scholarship Info:** The Local and Nebo Foundation Scholarships are due April 17. Students need to get online get applications. Please turn them into the Counseling office by 3 o'clock.

***Lunch Department Info:** There will be no charging on student lunch accounts, beginning Wed, April 2nd. Please pay all overdue lunch accounts as soon as possible. Thank you!

***MMHS FFA:** Each year members of the Maple Mountain FFA and local 4-H Clubs exhibit and sell animals in several Utah Junior Livestock Shows. Sale prices of their animals vary and generally at market prices the youth will not make a profit. To stimulate the interest of the youth and keep them from discouragement, we help them through purchasing their livestock. For more information on how you can help visit www.maplemountainffa.com

***MMHS Welding:** Maple Mountain High School Welding Class needs your help to send its Welding Fabrication Team back to Kansas City, MO for the National Competition, AGAIN!. At the end of March, our team of three boys won the Gold Medal at the state level, for the second year in a row! The team has been invited back to compete among the top teams in the country. In hopes to help with this cost we would like to invite you to sign up and bring in anything you need to have repaired or re-welded. If you provide the material to fix your project, we will weld it back together for you. In return, we ask that you please donate money when your project is completed to help these boys make it back to Kansas City. Last year we had a great turn out and helped a ton of people fix many different projects. The 2nd annual MMHS Welding Fix It Saturday will be held May 3rd from 8am to 4pm. We ask that you please be generous in your donations, but the amount donated will be up to you. To set up a time or discuss your project needs, please contact MMHS welding instructor, Jared Massic at: Jared.Massic@nebo.edu or call him at [801 794 6740](tel:8017946740).

Career Pathway Honor Cords: If your senior student has earned 3 credit hours in a CTE area (Business/Computers, Health Sciences, FACS, Trades & Tech, etc.), he/she may be eligible to wear a white honor cord at graduation. Please check this link <http://mmhs.nebo.edu/pathways> to discover the 32 CTE pathways that MMHS has to offer. If your student meets the requirements for any pathway, they may obtain a purple colored application from their CTE teacher, or they may see Mrs. Dunn in C100 to obtain an application. It is possible for students to complete more than one pathway. Students who complete additional pathways, will earn a special eagle pin to attach to their honor cord. Applications are due to Mrs. Dunn's office **by Wednesday, April 30.**

Apr 14-Apr 19 "MMHS Student Body Officers' Elections—Primary Week"
