

## **MMHS Eagle HighFLIGHTS:**

Congratulations to Tarrin Strosser on winning the prestigious BYU Heptathlon track and field competition this past weekend. Tarrin competed in 7 track events over two days winning four of the seven events. Her point total was 300 points higher than the 2nd place finisher. Close to twenty of the best high school track athletes from around the state competed. Tarrin will now focus on helping her team at the region and state meets coming up soon.

## **Monday E-mail to Parents & Students: 4-21-14**

\*For more school information, please go to our school website at: <https://mmhs.nebo.edu>

**\*Finance Office:** Our finance office will be closing at 11:00 am on Wed, Apr 23<sup>rd</sup> to attend a district event.

**\*MMHS FFA:** Each year members of the Maple Mountain FFA and local 4-H Clubs exhibit and sell animals in several Utah Junior Livestock Shows. Sale prices of their animals vary and generally at market prices the youth will not make a profit. To stimulate the interest of the youth and keep them from discouragement, we help them through purchasing their livestock. For more information on how you can help visit [www.maplemountainffa.com](http://www.maplemountainffa.com)

**\*Driver's Ed:** The April Driver Education class will begin on **Tuesday, April 29th**, at 6:00 AM. **This is a change!** The class was originally announced as starting on Monday the 28<sup>th</sup>. For all students enrolled in the April Driver Education class, there will be a mandatory meeting in Mr. Hyer's room, E-202, right after school this Thursday, April 24th. The meeting will only last 10-15 minutes. If you are unable to attend, please see Mr. Hyer sometime before Thursday.

**\*MMHS Welding:** Maple Mountain High School Welding Class needs your help to send its Welding Fabrication Team back to Kansas City, MO for the National Competition, AGAIN!. At the end of March, our team of three boys won the Gold Medal at the state level, for the second year in a row! The team has been invited back to compete among the top teams in the country. In hopes to help with this cost we would like to invite you to sign up and bring in anything you need to have repaired or re-welded. If you provide the material to fix your project, we will weld it back together for you. In return, we ask that you please donate money when your project is completed to help these boys make it back to Kansas City. Last year we had a great turn out and helped a ton of people fix many different projects. The 2nd annual MMHS Welding Fix It Saturday will be held May 3rd from 8am to 4pm. We ask that you please be generous in your donations, but the amount donated will be up to you. To set up a time or discuss your project needs, please contact MMHS welding instructor, Jared Massic at: [Jared.Massic@nebo.edu](mailto:Jared.Massic@nebo.edu) or call him at [801 794 6740](tel:8017946740).

**Career Pathway Honor Cords:** If your senior student has earned 3 credit hours in a CTE area (Business/Computers, Health Sciences, FACS, Trades & Tech, etc.), he/she may be eligible to wear a white honor cord at graduation. Please check this link <http://mmhs.nebo.edu/pathways> to discover the 32 CTE pathways that MMHS has to offer. If your student meets the requirements for any pathway, they may obtain a purple colored application from their CTE teacher, or they may see Mrs. Dunn in C100 to obtain an application. It is possible for students to complete more than one pathway. Students who complete additional pathways, will earn a special eagle pin to attach to their honor cord. Applications are due to Mrs. Dunn's office **by Wednesday, April 30.**

\*April 24th : **Art City Substance Abuse Prevention Coalition (ASAP) and Parent's Empowered** will host a Town Hall Meeting at the Springville Library addressing the dangers of underage drinking. At **6:30 p.m.**, the local acoustic band, Synergy, will be playing. Parents are invited to visit several information booths. Steve Wright from Parent's Empowered will be speaking **at 7 p.m.** The good news is alcohol use has gone

down among our 12<sup>th</sup> graders. The bad news is it has gone up among our 10th graders. Alcohol is still the leading substance abused by our teens, 24% report they are getting alcohol from their parents with their permission. This concerns the ASAP Coalition a great deal. The first 25 students to arrive at the meeting will receive a free t-shirt. Students will get detention credit for themselves and each parent attending.

\*April 30th: 1:45 p.m. (early out) @ SHS Auditorium, **ASAP** presents: **Brad Barton, nationally recognized motivational speaker and illusionist, will present "Beyond Illusions;"** motivating students to make positive choices and avoid the pit falls of substance abuse. His presentation promises to be "magical." The Community, students and parents are all invited. Students will get detention credit for themselves and each parent attending.
