

## **MMHS Eagle HighFLIGHTS: 12-10-18**

### **Monday Make-up – Early Out Day**

The second Monday Make-up this year will be December 17. We will release students from class at 1:10 p.m. This allows bus students an opportunity to meet with teachers before catching their buses at 2:30 p.m. Students should determine which teachers they need to meet with based on individual needs (missing assignments, tests, quizzes, or tutoring needs). We encourage parents that would like to speak with a teacher to call after 2:10 p.m. so that students get help first. \*Monday make-up days are not early release, the school day will still end at 2:25 p.m.

### **Mega Detention**

On December 17, students can also attend Mega Detention in room C207 from 2:00-5:00 p.m. Pay the Finance office \$5.00 to secure your spot. You will receive 5 hours detention time for serving only 3! Also, students that can show they've accomplished homework assignments will receive 6 hours for Mega.

### **Attendance Information**

Parents: If you leave a message to excuse your student on our attendance voicemail system, be sure to check your student's SIS account 24 hours after your call to ensure the absence has been excused. (It takes 24 hours for SIS to reflect updates.) Sometimes voicemail messages are unclear or not audible, resulting in the student's absence not being excused. That is why it is so important for parents and students to be proactive in checking SIS to confirm absences have been taken care of. Please contact our attendance office if you have questions or concerns regarding this process.

Thank you!

### **FBLA Region Competition Results**

These 13 awesome students brought home a total of 34 certificates and medals with their top 5 finishes! MMHS placed 3rd overall behind two chapters who nearly quadrupled their size. What a competitive group, we are so proud!

**Method Test Prep for ACT and SAT**  
**Maple Mountain High School, 18-19**

Maple Mountain High School is providing Method Test Prep accounts for all juniors. This is an online program that helps students build and improve their ACT and SAT test skills. Students are welcome to use the program at their own pace on their own time. Students needing access to the Internet or a computer may use school labs during open hours. This is the same resource being used in MMHS test preparation classes.
