

JOIN the new Parent Teacher Student Club at Maple Mountain High School and make a difference in a big way!

At the end of the 2016-17 school year, the MMHS PTA membership voted to dissolve our PTA unit and instead become a high school club. The benefits of the club structure are several. First, registration in the club is easier and **ALL funds received from dues and donations remain at our school.** Second, we can tailor the activities to meet our student's needs without spending money on unpopular programs. Third, the club structure makes serving on certain board positions less cumbersome. The new MMHS Parent Teacher Student Club (PTSC) will still be involved in most of the same activities as in previous years, with the exception of the PTA-sponsored Reflections and Battle of the Bands, which historically had very little participation. Our mission is to serve the students, staff, and parents at MMHS and to enhance opportunities for learning, giving, and growing through MMHS and PTSC activities.

We hope more parents, teachers, and students will become involved in the PTSC by actively volunteering and/or by contributing through dues. Membership is only \$5 for the entire school year and **all money stays at MMHS for activities that are designed to enhance your students' school experience and life.**

Who can join? Parents, guardians, students, grandparents, etc...in short, anyone who would like to support MMHS and its students. We hope you and your student will get involved in whichever way works best for your situation.

The following are some of the PTSC-funded activities that club members participate in:

- Parent Teacher Dinners and Report Card Distribution
- Student Service Club (monthly service projects completed during lunch periods)
- Scholarships for qualifying MMHS Seniors who are student members of the PTSC
- Val-O-Grams
- Sucker Sales at MMHS Events
- Membership Contest & Party
- Teacher Birthdays
- Monthly Teacher Appreciation Luncheons
- Teacher Appreciation Week
- Graduation All-night Senior Party
- Awards for Art Festival and Film Festival Participants
- MMHS Senior Recognition
