

MMHS Career Day

April 1, 2022

Students: Select 2 speakers that you would like to listen to. Room numbers/teacher names may not match where you are used to seeing them so pay close attention to room numbers. Space is limited to 30 per room so move quickly to the room you want to be in.

Teacher	Room Number	Speaker Name	Occupation/Company	What do they do? What will they talk about?
Andrus, B	C-204	Brad Barton	Motivational Speaker/Magician	Magic is a powerful metaphor. How can you turn speaking in front of people and doing a little magic on the side into a career where you travel across the country (and world!) and get paid big bucks to do it?!
Averett, J.	E-103	Travis Ashdown	Criminal Forensics, Utah County Sheriff's Office	Do you love to watch crime TV like NCIS or Breaking Bad? Do you consider yourself smarter than Sherlock Holmes? How do you process a crime scene, handle evidence properly, and take fingerprints and photos to use in court? Come find out about some current cases he's working on!
Barker, M	E-101	Cheree Lockwood	Orthodontist Assistant, Red Rock Orthodontics	What does an orthodontist do when he's on a roller coaster? Brace himself. If that made you smile, then maybe perfecting a patient's smile is the job for you! Come learn about what it takes to be an orthodontist or an orthodontist assistant!
Bone, K.	C-213	Lana Hiskey	Public Relations, Nebo School District	How do you market a school district? Who talks to the media when there is a school-wide or district-wide crisis? Who manages the social media content for the district? If you love marketing, social media, and talking to lots of people, public relations might be for you!
Boyack, D.	C-106	Wyatt Davis & David Spencer	Spanish Fork K-9 Officers	If you want to help others in your community by keeping everyone safe, come find out what it takes to be a police officer and what traits your future employer is looking for in an officer. Officers will bring their K-9 and demonstrate how a K-9 is a valuable asset to the police force.
Boyack, S.	D-105	Angie & Brian Workman	General Contractors, Workman Construction	Are you interested in a construction career or starting your own construction company? Come learn about all of the careers that are available to you in a high-demand job!
Buhler, M./McMurdie	D-109	Michelle Burrows	Ag Teacher, Utah State University	If you live in Buhler, Gardner, or Garlick's room...an Ag career is for you!! There are so many opportunities in Agriculture careers, maybe you could even be an Ag teacher one day!
Burtenshaw, B.	D-208	Thomas Eastman	Physical Therapist, Spanish Fork Hospital	Physical therapists play an important part of the rehabilitation, treatment, and prevention of patients and athletes with chronic conditions, illnesses, or injuries.
Crandall, K.	F-107	Becky Swasey	Costume Designer/Make-up Artist	Creates the look of each character by designing clothes and accessories the actors will wear in a performance or movie. Most recently worked on <i>The Stray</i> , <i>Good Luck Charlie</i> , <i>The Saratov Approach</i> , and <i>Mosaic</i> on HBO.
Dahl, C.	C-209	April Robbins	Operations Supervisor, 9-1-1 Dispatch	When you call 911, she is one of the dispatchers who answers the phone and calmly talks you through your crisis. What is it like to work in a high-stress, fast-paced situation where lives are at stake?
Downey, D.	C-212	Tracee Comstock	VP of Human Resources, Nature's Sunshine	What is it like to be a Human Resources executive of a global company with over 850 employees? If you love business or healthy lifestyles, you'll love listening to how Nature's Sunshine helps thousands of employees and Wellness and Technology companies be successful!
Dunn, J.	C-210	Alex Cabrero	Reporter, KSL 5 TV	What is it like to be on the cutting edge of a big news story? How do reporters get their tips about news that's happening? Find out what it's like to be a news reporter for one of the leading newscasts in Utah.
Durrant, M.	C-211	Austin Lee	Student Engagement Specialist, MTECH	If you want the inside track to being successful at MTECH, this is the place for you! MTECH has many certifications and degrees in medical, cosmetology, technology, and trades professions!
Ethridge, L.	E-102	Teresa Bell	German Language Program Director, BYU	Sprechen Sie Deutsch? ¿Habla español? Parlez-vous français? If you want to learn how you can use ANY second language in a career, you'll want to come to this session!
Gillespie, J	C-201	Mary Whyte	Music Therapist, Pure Progression Music Therapy	Uses music and all of its facets—physical, emotional, mental, social, aesthetic, and spiritual—to help clients improve their health.
Green, C.	E-200	Richard Gill	Biology (Premed) Department Head, BYU	How do you prepare for a professional school (medical, dental, PT, PA) through a biology major? Learn about being a premed major and become a scientist at the same time! Mr. Gill has also done research on marine biology and global change. So many things to learn in this session!
Henry, G.	D-209	Jeremy Maughan	Business Intelligence Developer, Young Living	If walking through lavender fields is your idea of a good time or you diffuse essential oils and love all things Young Living, you will want to come to this session. How do you combine business, graphic design, and programming to make data beautiful and influence how a company grows its business?! Come find out!
Hyer, E.	E-202	Tom Stephens	Computer Science/Space Telescope developer, NASA/BYU	He's not a rocket scientist...but he's pretty dang close. If Astronomy and observatories and telescopes are your love language...you will want to learn how you can turn something you love into a career!
Jones, D.	C-203	Kenneth Hartvigsen	Curator of American Art, BYU Museum of Art	How do artists get their artwork featured in museums? How do art museums find the artists they want to feature? If you're a budding artist, or an art connoisseur, you need to be here.
Kearl, A.	D-107	Brian Boring	Actuary	Why do boys pay more car insurance? Because an actuary has determined the percentage of risk they pose to themselves and the public. Actuaries use math, statistics and financial theory to measure, manage and mitigate financial risk and uncertainty. Actuaries are essential to the insurance industry, and they're becoming extremely popular in other businesses, too.

Knotts, J.	F-103	Stacy Anderson	Interior Designer/Owner, Remedy Design	Do you dream of designing a Parade of Homes? No problem! If you have a love of decorating and a knack for arranging furniture and choosing decor and color, a career as an interior decorator may be perfect for you.
Lake, J.	C-107	Jim Lundberg	Corporate Attorney, Vivint Smart Home	Assists the company with negotiating contracts, defending the company in lawsuits, working with law enforcement to gather evidence from our security cameras regarding criminal investigations, complying with federal and state regulations, etc.. Oh, and "little" things like marketing contracts for Spida Mitchell, Rudy Gobert, and Snoopy Dog.
Larsen, R.	E-201	Tyler Devenberg (Chief Pilot) Mason McGowan (CFI) Mik West (Student)	PilotMakers	Learn all about aviation and becoming a certified pilot from some of the best aviators in Utah Valley!
Lewis, T.	F-104	Jessa Ethridge	Photographer, Jessa E. Photographs	Do you love taking pictures? Come listen to a professional photographer talk about how she got into the business.
Marker, T.	D-210	Margaret Carlson, Brooklyn Mills	Public Health, University of Utah School of Medicine	Public Health is the "Swiss Army" knife of careers – whether it be politics, environmental, or health care. We will be giving a brief overview of the field, day to day examples, and finishing off with an activity.
Marvin, A.	C-103	Ryan Carter	Professional Hunting Guide, DC Outfitters	No joke, he'll guide you to the best hunting spots in the state. Ready for your next trophy bull? Come listen to how he finds them and gets paid to take you to them.
Massic, J.	F-108	Woody Cook	Welding/Quality Control Manager, SME Steel	Member of the Local Ironworkers union and an AWS Certified Weld Inspector/NACE Coatings inspector with over 40 years of welding experience!
McGregor, T.	F-101	Emily Shaw	Graphic Designer, Horrocks Engineering	Life would be so bland without graphic designers - we influence E.V.E.R.Y.T.H.I.N.G! From the clothes you wear to the books you read, from the cereal you eat to the logos of your favorite teams. If you critique the look of, well, everything, are creative, and love designing things on the computer, this is the career for you.

MORE CAREERS ON THE OTHER SIDE

MMHS Career Day

April 1, 2022

Students: Select 2 speakers that you would like to listen to. Room numbers/teacher names may not match where you are used to seeing them so pay close attention to room numbers. Space is limited to 30 per room so move quickly to the room you want to be in.

Teacher	Room Number	Speaker Name	Occupation/Company	What do they do? What will they talk about?
Morrow, M.	C-208	Garrett Andersen	Elementary School Principal, Sierra Bonita Elementary	Have you ever heard the phrase, "It's like herding cats"? Well...being a school teacher is a lot like that! What does it take to be a school teacher and what are principals looking for when they hire a teacher? Former Sierra Bonita students, stop by and say hi!
Palmer, M.	C-207	Stephanie De La Paz	Cosmetologist/Salon Owner, Salon De La Paz	Do you love working with people of various backgrounds doing a job you love? What do you do after you get your license? You may be interested in a career in cosmetology! Come learn how to channel your creative talents into helping others feel better about themselves.
Porter, T.	D-206	Sgt First Class Voss/GySgt Wynn	US Army/US Marines	Interested in a military career? SFC Voss and GySgt Wynn will discuss all military branches as well as medical, language, and intelligence (like FBI) careers in the military.
Reese, C.	E-203	Danielle Dalmer	OR Nurse, St. Mark's Hospital	What do you need to know to get into the nursing field? It's pretty competitive. What is it like working in an operating room? Come find out how to land the perfect nursing job at one of the biggest hospitals in the state.
Reynaud, J.	C-104	Stephen Shaw	Software Engineer, Microsoft	If you love to build things, solve puzzles, pull things apart (occasionally able to put them back together) or maybe you just feel a need to poke the button with the 'do not touch' sign, just to see what actually happens then computer science might be for you!
Roberts, M.	F-111	Alan Shurtleff	Architect/Owner, Pontis Architectural Group	With each new project comes the challenge to bring dreams to reality. Pontis aims to bridge dreams by design. Learn about designing residential and commercial structures.
Rogers, B.	D-202	Andrew Fry	Chemical Engineer/Fossil Fuels, BYU	Why are fossil fuels always in the news? How do you use coal, oil, and natural gas to create energy? Learn how to apply your love for chemistry, biology, physics, and math into one fabulous career!
Savage, K.	C-105	Ranee Clark	Author	Do you always have your head in the clouds or your nose in a book? If you're an aspiring author, come find out how to turn your daydreams and short stories in to published books.
Schreengost, K.	C-205	Jarom Jordan	Sportscaster, BYU SportsNation	Jarom is the co-host of BYU Sports Nation as well as a play-by-play, sideline reporter, studio show host, and executive producer with BYUtv Sports. If you love BYU sports, this is your session.
Smith, G.	E-100	Colleen Coronado	Victim's Advocate, Springville Police Department	Social worker who helps victims of violent crime through the legal process. Counsels victims at crime scenes, attends court proceedings with victims, assists with filing restraining orders, etc.
Taylor, K.	C-102	Ryan Waycasy	Firefighter/Paramedic, Provo Fire Department	Firefighter: because full-time ninja isn't a job title. But seriously, if you want to make a difference every day at your work and literally save lives in the process...come learn about being a firefighter/paramedic.

Villarta, D	D-200	Rosie Jameson	Pharmacist, Sam's Club	Prepares medications, fills doctor's prescriptions, and counsels patients about the proper use of medications.
Wallace, C.	D-205	Angie & Ian Cauble	Plumber/Owner, Eric's Plumbing & Drain	Do you want a job that is: stable, people are always glad when you show up, every day is different, you can learn how to analyze and solve problems, you don't have to be in an office, you can go into business for yourself and work when and where you want? Looks like owning your own plumbing business is for you.
Wyatt, D.	C-108	Travis Hunter	Mental Health Nurse Practitioner, Wasatch Behavioral Health	Assess and diagnose patients suffering from mental illnesses, disorders, and substance abuse. Mr. Hunter also works with the county jail to help inmates with some of their mental health issues.
Zaremba, L.	D-204	Gregg Scott	Corporate Interpreter, Sorenson Communications	Provides American Sign Language interpretation for deaf individuals either through freelance opportunities or sometimes over video relay services.
